B. Guidehouse Digital LLC is required to update all electronic catalog submissions (GSA Advantage) and issue a new GSA price list or price list addendum incorporating the changes described in this modification.

C. Other terms and conditions remain unchanged and remain in effect.

D. The Industrial Funding Fee (IFF) is a separate collection mechanism and any increase or decrease in the fee does not change the price discount relationship stated above. The current IFF is .75% and should be calculated as follows: Negotiated price divided by (1 minus .0075) which equates to Negotiated price divided by 0.9925. Example: (\$100,000 / 0.9925) = \$100,755.67.

This modification is issued at no cost to either party.
