Extension and Expansion of the Employee Retention Tax Credit

Program Objective

- Increases the credit rate, from 50% to 70% and raises the limit on per-employee creditable wages from \$10,000 for the year, to \$10,000 for each quarter;
- Expands eligibility for the credit by reducing the required year-over-year decline in gross receipts from 50% to 20%;
- Modifies the threshold for treatment as a 'large employer' by increasing the 100-employee delineation for determining the relevant qualified wage base to employers with 500 or fewer employees;
- Provides that employers who receive Paycheck Protection Program (PPP) loans may still qualify for the ERTC with respect to wages that are not paid for with forgiven loan proceeds; and
- Allows employers with fewer than 500 employees the ability to receive an advance payment for a full quarter of wages upfront.

Stimulus payments

- Provides an additional \$1,400 per qualifying individual in direct stimulus payments; in addition to the \$600 in supplemental payments enacted in the December 2020 relief bill, this would fulfill Democratic demands for \$2,000 in payments

Child Tax Credit

- Temporary, fully refundable enhancement of the value of the Child Tax Credit to \$3,000 for children older than 6 and to \$3,600 for children younger than 6 – an increase in the current credit of \$2,000, of which only \$1,400 is refundable; envisions that the tax credit can be claimed on a monthly basis, rather than annually

Earned Income Tax Credit

- Temporarily and significantly increases the value of the Earned Income Tax Credit, along with loosening eligibility requirements on income

Dependent Care Assistance

- Child and Dependent Care Tax Credit: Temporary, fully refundable enhancement of the Child and Dependent Care Credit from the current limitation of \$1,050 per child or dependent up to \$4,000

Credits for Paid Sick and Family Leave

- Extends the availability of paid sick and paid family leave tax credits, as established in the Families First Coronavirus Response Act through Sept. 30, 2021
- Also expands eligibility to state and local governments that provide this benefit
