

# Public Sector Solutions

Guidehouse provides management, technology, and risk consulting to clients around the world through more than 1,600 professionals in over 20 locations. At our core, we focus on building trust in society, solving important problems, and having a seat at the table for our clients' most pressing matters. Formerly part of PwC, Guidehouse provides the exceptional quality our clients demand with the agility and innovation to go beyond the expected. We invite you to learn more at [guidehouse.com](https://www.guidehouse.com)

## Human Capital

Guidehouse works with the Federal government to help them meet 21st century workforce challenges. We provide human capital solutions that are comprehensive, innovative and proven, and which support the Federal Human Capital Assessment and Accountability Framework. We help our clients to improve their organizational and workforce performance through these critical human capital areas:

- Organizational Design
- Talent Management
- Strategic Planning
- Workforce Planning
- Succession Management
- Learning and Development
- Knowledge Management
- Change Management

## Enterprise Effectiveness

We help our clients to assess current operations issues to increase efficiencies and effectiveness, as well as achieve success with appropriate rewards and recognition programs. Our services include:

- Benefits Realization
- Performance Metrics and Management
- Business Process Improvement
- Strategic Sourcing and Alliance Management
- Privatization and Outsourcing Advisory
- Economic Advisory

## Financial Management

Our methodologies provide financial process integration and alignment to enable cost reduction, increase controls and reliability, and heighten confidence in financial information. We also help federal agencies address accounting, auditing, reporting, systems and internal control challenges and impediments. We support federal agencies with:

- Budget and Performance Integration
- Financial Reporting and Controls
- Business and Financial Planning
- Property and Asset Management
- Grants and Credit Management
- Fraud Investigation and Recovery

## Governance, Risk and Compliance

Guidehouse's Governance, Risk and Compliance Solutions provide a comprehensive approach to achieving agency objectives and regulatory compliance requirements. Our approach features an

assessment of management processes and risk-based realignment to increase agility in responding to dynamic challenges faced by today's government executives.

- Enterprise Risk Management
- Continuity of Operations
- Ethics and Compliance
- Audits and Risk Assessments
- Regulatory Function Management
- Regulatory Reporting and Assurance
- Internal Controls

## Program Management

Guidehouse's program management services team is an integrated force, responsible for all aspects of our service delivery life cycle model. We provide the tools, methodologies and people to ensure successful delivery of large projects and programs. We have proven success helping government agencies in the areas of:

- Program and Project Management Office Design and Implementation
- Organizational, Program and Project Management Assessment
- Project Portfolio Management Support Services
- Feasibility and Business Case Development and Monitoring
- Acquisition Management Support
- Performance Assessment and Benefits Realization
- Dispute and Investigations Support

## Technology

We help our clients maximize the return on their information technology investments through the alignment of their business processes with their technology activities. We assist our clients with the creation and management of world-class technology functions, incorporating security, data management and IT business risk management, through:

- Acquisition and contract strategy and planning
- Application and infrastructure modernization architecture, planning, roadmapping; enterprise application integration and system evaluation
- Audit, compliance, controls, and policy
- Business intelligence and analytics; enterprise content management; enterprise data management
- Cyber and physical security, privacy, and risk consulting
- IT function effectiveness and efficiency optimization; organizational authorities, responsibilities, and design
- Portfolio, program, and project management
- Risk mitigation and independent verification; critical project recovery

### Award-Winning Excellence

In 2014, Guidehouse became the first large professional services firm ever to receive the nation's highest Presidential honor for quality - the Malcolm Baldrige National Quality Award. The Baldrige Award was established by Congress to recognize organizations for performance excellence through innovation, improvement and visionary leadership. Winning the award demonstrates Guidehouse's unparalleled commitment to quality and continuous improvement, which is embedded in everything we do and has enabled us to provide exemplary service to our Government clients.
